How will 4SAND Industries Corporation use the personal data it collects about me?

4SAND Industries Corporation will process (collect, store and use) the information you provide in a manner compatible with the EU's General Data Protection Regulation (GDPR). We will endeavour to keep your information accurate and up to date, and not keep it for longer than is necessary. [Organisation Name] is required to retain information in accordance with the law, such as information needed for income tax and audit purposes. How long certain kinds of personal data should be kept may also be governed by specific business-sector requirements and agreed practices. Personal data may be held in addition to these periods depending on individual business needs.

Under what circumstances will 4SAND Industries Corporation contact me?

Our aim is not to be intrusive, and we undertake not to ask irrelevant or unnecessary questions. Moreover, the information you provide will be subject to rigorous measures and procedures to minimise the risk of unauthorised access or disclosure.

Can I find out the personal data that the organisation holds about me?

4SAND Industries Corporation at your request, can confirm what information we hold about you and how it is processed. If 4SAND Industries Corporation does hold personal data about you, you can request the following information:

- Identity and the contact details of the person or organisation that has determined how and why to process your data. In some cases, this will be a representative in the EU.
- Contact details of the data protection officer, where applicable.
- The purpose of the processing as well as the legal basis for processing.
- If the processing is based on the legitimate interests of [Organisation Name] or a third party, information about those interests.
- The categories of personal data collected, stored and processed.
- Recipient(s) or categories of recipients that the data is/will be disclosed to.
- If we intend to transfer the personal data to a third country or international organisation, information about how we ensure this is done securely. The EU has approved sending personal data to some countries because they meet a minimum standard of data protection. In other cases, we will ensure there are specific measures in place to secure your information.
- How long the data will be stored.
- Details of your rights to correct, erase, restrict or object to such processing.
- Information about your right to withdraw consent at any time.
- How to lodge a complaint with the supervisory authority.
